Charlie Moss

Head of Further Education Curriculum Support at Gatsby

Purpose of the conference

- To network with colleagues in your T Level including discussing important topics that add value to your delivery
- To showcase the progress made in the communities of practice since their inception
- To work collaboratively on some curriculum outputs that will be produced after the conference

Communities of Practice Film

Communities of Practice so far....

- 15 Communities of Practice set up to cover all T Level routes.
- 391 unique teachers have attended the CoPs so far.
- Strong attendance at CoPs compared to registrations.

Feedback

- **99%** rated the session delivery as **Very Good or Good**.
- **98%** rated the content as **Very Useful or Useful**.

Key areas of support identified

- Resource gaps
- Employer engagement & placements (Cyber, Engineering, Health/ Science, Legal & Accounting)
- Assessment preparation pressures
- Year 2 sequencing of delivery
- Workforce & assessor workload pressures

Progress made

- New teaching materials and resources in development for most routes
- Integration of industry placement support into CoPs with more planned
- Working closely with awarding bodies to support teachers
- Curriculum models and skills plans in the breakout sessions today
- Exciting plans for the future
